

## Virtual Lectures

**My virtual lectures have been extremely popular. I share great information along with numerous examples of my quilting. I love to share my knowledge with guilds and quilt groups. In *How Should I Quilt This* and *Making Negative Positive*, we can incorporate a interactive time at the end of the lecture that will include me going over 10-12 pictures of quilt members finished quilt tops to give them ideas of how to quilt their quilt.**

**Trunk Show** – You will travel with me on my journey from beginning piecer to professional long arm quilter, with lots of show & tell + quilting experiences along the way!!

**How Should I Quilt This?** – This lecture is all about how to go about deciding how to quilt your quilt top. You will leave this lecture with ideas and tips on how to devise a quilting plan for your quilt tops. If we have time, we may be able to take some quilt tops from the audience to discuss. This lecture is always a fun one with show and tell throughout the talk.

**Making Negative a Positive!!** – Are you afraid of negative space? Do you know how to handle negative space? Negative space can lend such a great area to quilt in!! Let me share with you how to handle negative space and take your fears away!!

## Virtual Workshops/Classes

**A little about my classes and teaching style: I believe that no matter what level you are starting at, you should be able to walk away from a class with the knowledge and skills to quilt overall patterns plus designs to fit into squares, triangles and borders, so that YOU can custom quilt your quilts.**

**These classes are for all machines: domestic machines, longarms or stationary longarms.**

**Beginning Your Journey With Free Motion Quilting** – In this class you will learn fun and easy designs that will allow you to start finishing your own quilt tops. I will show you overall designs plus designs that will work in blocks, triangles, and borders. You will leave this class with a multitude of designs and ideas on how to start your journey in free motion quilting. This is a 4 hour hands on class. Supply list.

**Beyond the Basics – Intermediate I Free Motion Quilting** – If you have beginner's experience with free motion quilting then it's time to learn some more designs to make your quilt tops come to life. You will leave this class with fun designs and also ways to change up basic designs to give them more zing! We will also discuss how batting choice and thread choice play a part in your quilting. This is a 4 hour hands on class. Supply list.

**Feathers in Free Motion!!** – In this class you will learn the ins and outs of feathers. Learn how there are many feather designs and how to quilt them. Feathers are such a favorite of so many and there are so many different types of feathers to learn!! This is always a fun class. Previous Free motion experience is needed for this class. This is a 4 hour hands on class or can be a two hour lecture/demo type class.

**Quilts Rule.....with Ruler Work!!** Learn a great technique to take your free motion quilting to the next level by adding ruler work. Learn how to use long arm rulers....whether on a long arm machine or a domestic machine (**requires free motion ruler foot**). Learn the steps to get perfect designs and precision that comes with using rulers and then learn different techniques to make those designs stand out! This is a 4 hour hands on class. Supply list and kit fee.

**Elements of Change** – Let me show you how to take easy quilting designs and by adding or changing something about it making it into a fun and new design. This is a really fun class and lends to a lot of creativity and thinking outside of the box. This is a 4 hour class or can be a two hour lecture/demo type class. Supply list.

**World of Swirls** – Swirls are such a fun and versatile design to use when quilting. Let us delve into all the different variations we can think of to learn new and fun designs!! This is a fun class where we can expand our creativity. This is a 4 hour class hands on class or a two hour lecture/demo class. Supply List.

**Beyond the Stencil** – Let me show you how to take a normal quilt stencil and change it up into ways that you would have never dreamed of. This is definitely a class to make you be more creative in your quilting. Lots of tips and tricks will be shared in this class. This can be a lecture/demo type class for two hours or a hands on class. Supply list and kit fee.

**Not Your Grandma's Hanky!** – Everyone seems to have vintage linens packed away. In this class you will take a vintage hanky (one of your own or choose one that I have available for a small fee), and learn to make it into a work of art that you can display instead of keeping those vintage linens tucked away in a drawer!! While free motion quilting is helpful with this class, it is not necessary. This is a 4 hour class or can be a 1 hour lecture/demo. Supply list.

**Quilting the Dream!!** – Have you seen the Dream Big panels and thought how much fun it would be to quilt your own? Let me share my tips and tricks for these fun panels. I have quilted numerous panels and have lots of ideas to share with you. We will take one quarter of a panel to quilt during class. Once you have that done, you will be set for going home and quilting a full size panel!! Supply list and kit fee. This is a 3-4 hour hands on class.
