VIRTUAL

Fees:

Lectures: \$400.00 for up to 100 people (Guild provides zoom account)

Workshops:

(3-4 hour hands on): \$450 (Live via Zoom)

(1-2 hour lecture/demo): \$300 (Live via Zoom)

Zoom Account

The Guild will be responsible for providing the zoom account for my lecture. If a workshop is chosen, I will provide a zoom link for that workshop.

Payment

Payment in full is due prior to lecture/workshop via check. Electronic payments can be arranged if necessary.

Securing Your Date

Please make initial contact to set up dates by phone or e-mail. I will be happy to pencil in dates, but do not consider them firm until a signed contract or letter of confirmation is received. I do have a contract that covers a virtual agreement.

Pricing

Once a signed contract is received, the current fees are locked in for your group/guild.

Workshops:

I am happy to work with your guild as far as workshop length is concerned. A lengthier class will incur additional costs. Classes can also be modified somewhat to adapt to your group.
