VIRTUAL & In Person for 2025

Fees:

Lectures: \$450.00 (Virtual: Guild provides zoom account)

Workshops: \$575.00 (4 hour class)

Zoom Account

The Guild will be responsible for providing the zoom account for my lecture.

In Person: The Guild will be responsible for providing me with two tables for both lectures and classes. A projector and screen will be necessary for my lectures. While I do my lectures to a Power Point presentation, I do arrive with quilts to show also.

Payment

Payment in full is due prior to virtual lecture/workshop via check. Electronic payments can be arranged if necessary. Payment is due at the end of an in person lecture/class.

Securing Your Date

Please make initial contact to set up dates by e-mail. I will be happy to pencil in dates, but do not consider them firm until a signed contract or letter of confirmation is received.

Pricing

Once a signed contract is received, the current fees are locked in for your group/guild.

Workshops:

I am happy to work with your guild as far as workshop length is concerned. A lengthier class will incur additional costs. Classes can also be modified somewhat to adapt to your group.

Travel and lodging: IRS Mileage reimbursement will be used to cover my mileage. Lodging in a hotel will be provided by the Guild, if an overnight stay is necessary.
